BILLY & DASCHA

Glidin' into Dascha

The Czech star's juicy mouth and even juicier pussy make it easy for Billy Glide to slide inside her as slick as a whistle!

With a girl as passionate and as horny as Dascha, you never have to worry about her not being wet when you slip your hand down inside her tight panties and your finger into her pussy. She's usually *dripping* for sex the very moment you make your first move. And to make certain that your cock is even more slippery, she loves to lather it up first with plenty of saliva. No wonder porn stud Billy Gilde has no problem living up to his name whenever he slides and glides into Dascha's juicy snatch. He can leave the tube of lube at home!

But wait a minute Dascha's copiously lubricated pussy has gotten Billy's cock so wet and slick that Dascha wants to slide it into her mouth and let it glide effortlessly down her throat. There is no doubt about it this is one woman who loses several ounces of body fluid every time she makes love. And Billy's cock and balls end up totally drenched.

Bedroom Blondes

JANA & SOPHIA

Mya & Marcos

ROOM WITH A VIEW

The great thing about time-share condos is that for a week each year you can stay in a resort area and meet lots of beautiful strangers who are there for the same reason you are. The only problem is, as soon as Marcos and Mya hook up at a local watering hole, they lose interest in all the recreational advantages of resort living and confine themselves indoors. But don't feel sorry for these shut-ins. You'd be surprised how many diversions they discover within four walls, while the rest of the world outside their door blissfully splashes in the sun.

Alone with this handsome stranger in this condo far from home, Mya indulges all her fantasies. At first she surrenders, letting Marcos undress her as he kisses her shoulders, her tummy, the insides of her legs. He can't believe how firm and beautiful she is. Lingering over her breasts, he sucks each one while his fingers explore her belly, then he rolls onto his back, pulls her on top of his face, and presses his lips against her pussy. His slithering tongue inside her is too much for Mya. As her first orgasm subsides, she needs his cock in her mouth. Now.

This first sweaty round of sex is intense. Mya sloppily sucks Marcos's cock until he pushes her head away—otherwise he'll come too soon in her mouth. Then she lowers herself onto him and rolls her hips like a madwoman, forcing him to counterthrust to break the steady rhythm that will

almost certainly make him squirt inside her. But once he fights off the first wave of pleasure, Marcos fucks her steadily for a half hour, and doesn't come until she comes with him in one loud crescendo. These two might just end up spending the entire week inside.

1.

Famous writer Born Oscar Fingal O'Flahertie Wills Wilde he went on to write *The Picture of Dorian Gray* and *The Ballad of Reading Gaol*. His grave originally had an anatomically correct statue of an Egyptian male, however the cemetery order them cover it with a fig leaf. Wilde died at the age of 46 of cerebral meningitis on November 30, 1900, penniless, in a cheap Paris hotel.

2.

Father and son karate masters Both died amidst a whirlwind of mystery and questions. Bruce succumbed to a mysterious brain swelling and Brandon was killed 20 years later from an-the-seat accidental shooting from a prop gun.

3.

Famous magician Controversy to why Houdini died survives to this day. Some accounts credit his demise to a ruptured appendix to two McGill students who punched Houdini in the stomach. They asked to see a demonstration of his abdominal strength, however they struck with blows before he was prepared. Other accounts state that Houdini already had appendicitis and the blows only aggravated it. The Society of American Magicians holds their "Broken Wand" ceremony at the grave site on the anniversary of his death to this day.

5.

Inventor of the non-explosive gas lamp. What makes Pigeon's grave such a tourist's attraction is not his invention, but the physical grave itself. Located in Cimetière du Montparnasse in Paris, France, Pigeon's grave features two marble statues on an elaborately decorated bed. One is reclining while the other is sitting up staring at the first.

On the headboard is inscribed Charles Pigeon's name.

Famous, drug-crazed Doors front man. The most interesting theory about the death of Morrison's is that it never happened. A short time before the ill-fated Paris trip Morrison had mentioned to friends about a plot to fake his own death. Then split to Africa and live among whatever primitive peoples he envisioned. He lived there. In the words of the immortal Jack Palance, "Believe it or not."

7.

Father of Marxism. What makes this grave site so special is the impressive bust of Marx which looms imposing upon the entire cemetery. And this is no slouch of a cemetery. Encompassing 37 acres in the middle of North London, there are over 168,000 people buried in more than 52,000 graves, of which at least 850 are notable.

8. MARY DEERLING
We were told that Mary Deerling, the
widow of white money man. However, at the time
of his death, he still had a wife. To prove that he
was not polygamous on this last of historical hearings, I was
asked if their interesting, for me to say, the bodies
depending on each white too late for me to say.
The heck does that mean?

For a short period, Emily and John Ringo were
known as the "Foolish Deerlings." She was supposed to be
John Ringo's Nellie, though they were never
accused to be. Emily kept her actions secret.
The old-time Deerlings' connection to John
Ringo is still a mystery.

9. JOHN RINGO'S GRAVE
What's interesting about this grave
is that it's a tiny pile of rocks. Gentry laid out
the grave in 1881, but it's not standing a few
feet off the ground. As the final resting place of
John Ringo, it's a mystery. Some theories claim that the
controversial events surrounding Ringo's death
caused the family to bury him in a secret location.

John Ringo's grave is located in the
Tombstone Cemetery. It's a small, unmarked
grave. The only thing that distinguishes it from
the grave marker is the inscription.

*Eve doesn't waste
She really, really*

any time getting Tony's big cock out of his pants and wrapping her full lips around it. wants to impress him with her blowjob skills!

CARNAL CAMERA

What is it about this new generation of girls—straight and porn—who say blowjobs aren't really sex? They grew up hearing stories about a young lady who became a media star by sucking the Presidential penis in the Oval Office. They've seen Paris Hilton cram her mouth with cock in a grainy video, and watched Oprah talk about "rainbow parties" where girls wearing different shades of lipstick leave colorful rings on a guy's erect cock. Sucking men off is "hot," they say. It's fun, and it makes guys really like you—a lot! No wonder even Hungarian-born model and actress Eva Angel feels totally cool when she's got a stiff prick in her mouth, especially since every guy has told her afterward what a great cocksucker she is. That's why, when it comes time to impress her new friend Tony, she asks our roving photographer to record the event for her scrapbook.

Though Tony loves watching Eve's pretty face bobbing up and down on the end of his stick, he doesn't want to cum in her mouth just yet. For an experienced woodsman like him, oral sex is a warm-up for what he calls the main event—taking control of the situation, making her whole body respond to him, and thrusting his meat deep into her pussy as he whispers sweet dirty nothings in her ear. For Tony, pussy feels better than a hot mouth. When he guides her down on her hands and knees, Eve begs him not to blow a load inside her. "Don't worry, baby," Tony assures her as he grabs her hips, presses against her ass cheeks and sinks his cock into her pink. "First I'm gonna make you cum. I want you so fucking hot, you're screaming for my cock!"

As Tony pumps in and out of her pussy from behind, Eve's moans drown out the steady clicking of our roving photographer's camera. She's totally forgotten he's even there!

After Eve has her first orgasm, Tony gently slides his cock from between her velvety lips and flips her over onto her back. He loves the taste of pussy when it's steaming hot and as juicy as a ripe peach. First he tongues her clit, pushing away Eve's hands as she tries to pull his face into her wetness. He waits until she reaches fever pitch before he plunges his tongue deep inside

“I’m gonna give you a kiss before he leaves, fingering maybe I’ll see you later this week, turns to our photographer and purrs in her sexy voice, “you darling, you’re so a little short on cash is showing my appreciation?”

her and sets off her second orgasm. Only then does he know that she's ready to give him the unforgettable blowjob he's been waiting for. Her body is so hot to the touch that her face is like a flame against his stomach as she deep-throats him. Reaching the mother of all crescendos, he blasts salvo after salvo into her throat, and Eve's expert lips deliriously drain his ball sac.

Ronnie & Vince

REDEEMUS WITH RONNIE

**Her Dildo Can
Do Only So Much.
That's When She
Calls On Vince!**

Ronnie's problem is that she's spoiled rotten. She's the mistress of a wealthy businessman who pays for her upscale apartment and gives her an allowance which means she doesn't have to worry about basic materia-

things. But she's alone a lot because her boyfriend is home with his family. Her benefactor has provided her with a full panoply of sex toys to take her mind off her lonely hours, but really how long can a young and beautiful girl be satisfied with just cold plastic?

That's why Ronnie has Vince on call.

For Vince these trysts with Ronnie are perfect. Here's this beautiful girl with her own cozy place who has nothing to do but sit around and get horny. He doesn't have to buy her anything. In fact, she's always got a fridge stocked with his favorite beer. So all he has to do is show up when she calls and says she's lonesome tonight.

And the moment he walks in the door she's fumbling with his pants because she wants his cock in her mouth. Who could ask for more?

Since her rich boyfriend has taken care of all her material requirements Ronnie's needs are quite simple. She wants Vince to show up when she calls him. She wants to suck his cock for ten or fifteen minutes and then she wants him to fuck her for a half-hour or so, and then she wants to cuddle for another half hour—and then after they have a couple of beers and maybe a snack from the fridge Ronnie wants Vince to leave, just in case her wealthy boyfriend wants to come by after his wife has gone to bed. So you see everybody's happy. There are no strings attached. When Vince leaves, both he and Ronnie are totally satisfied!

Yes we're *sisters!* and we were born
to make all your dreams come true!
